COMPUTERS FOR EDUCATION

Our computers for education drive will begin on Monday, January 25. Your student will bring home a book to be filled out with names and addresses. These booklets are then turned in to the Computers for Education Company and they will send out information to these people about ordering magazines. How does St. John's benefit? For each completed booklet that the students turn in the school will receive \$5.25. Whether the people order magazines has nothing to do with the profit St. John's will receive. **Please return the completed booklet on Tuesday, January 26th.**
